Barbara the letter looks OK to me. I don't know if we need to say anything more, what could we add to the fact that we think they are liable, are ordering they to do the work, and that they should cooperate with the already performing parties in accordance with the UAO we have attached..

carl
what do you think of this letter?
Don't you think we need to say more?

I was thinking a combination of a special notice letter with the UAO component

Subject Draft Gulfco UAO Letter

Barb & Barb,

Here is the draft Gulfco letter - let me know any comments you may have.

Barb N - is Morriss the Gulfco Group contact to use? Do we need to add a
explanation of why we are not doing a special notice - Sec. 122(a)?

Barb A - do you know who at TCEQ this should go to (besides Luda)?

Thanks,
